

FAMILY MATTERS

CONFERENCE AND RETREAT

1

The family unit is a vital ingredient to the life of the Church. Preservation of the Christian home is an important goal. The family and the Church cannot walk together, except they be in agreement.

Knowing man's need for companionship, God created the first woman, Eve and placed her at Adam's side. God opened up Adam's flesh and from his rib created her. Adam proclaimed, "therefore shall a man leave his father and mother, and shall cleave unto his wife; and they shall be one flesh" (Genesis 2:24). **The first family was formed. Before the Tabernacle was made, before the establishment of the Church, God instituted the family.**

Husband and father, wife and mother, and children—these are the threads that comprise a beautiful family. As each family member is blended into the harmony of the whole unit, an amazing picture of God's grace, love, and mercy emerges. As each member contributes his part and fulfils his role, a miracle of strength is forged.

FAMILY MATTERS

CONFERENCE AND RETREAT

In order to build around our 2017 theme, “Family Matters”, our primary focus is about Family Values, Goals, Commitment to Children, and Commitment to the Church.

Key Text

“And if it seem evil unto you to serve the LORD, choose you this day whom ye will serve; whether the gods which your fathers served that were on the other side of the flood, or the gods of the Amorites, in whose land ye dwell: but as for me and my house, we will serve the LORD” (Joshua 24:15).

360 Family Ministries thanks you for your loving kindness and support...all family concerns are real and that's why we exist.
